# BJC ROUNDUP

NOVEMBER 4, 1958  
BOISE, IDAHO

## STRAW VOTE

During their votes in last Thursday's straw vote election at BJC are Joanne Jensen and Johnny Loomis, assisted by Ron Crooks (left) and Burel Maas. BJC students voted down the proposed Right ticket by a vote of 150 to 116. In the same election Republican Robert E. Smylie received 116 votes beating out Al M. Derr who received 131. With still bigger margin, Hamer H. Budge, republican representative candidate, pushed out Tim Brennan with a vote of 157 to 104.

## National Television Physics Lecture Broadcast Daily for BJC Students

Experiments in physics are being presented in an instructional program, "Physics for the Atomic Age," which is being broadcast daily on television.

## Science Academy convenes in Boise

Boise Academy of Sciences and the University of Idaho have joined in a program to present a series of lectures on the atomic age. The program, which is being broadcast daily on television, is being presented by the University of Idaho. The program is being presented by the University of Idaho. The program is being presented by the University of Idaho.

## Notice from V. President

The President W. L. Gottschalk has announced the need for student office help. Any freshmen needing work can type to words per minute, should report to room 106 and complete an application form.

## Bobette Heads BJC 59 Yearbook Staff

Leading the 1959-60 Boise Junior College yearbook staff is Bobette Jean Bobette, who is assisted by section editors Holly Brown, Jean Brown, and others. The staff is working on the yearbook, which will be published in the spring.

The lecture is beamed over KBOI-TV from 1:00 to 1:30, and is titled "Physics for the Atomic Age."

Under the direction of Professor Harvey E. White, of the University of California in Berkeley, it is part of a nationwide TV network program which carries the general title of "TV Continental Classroom."

During the BJC presentation in the physics laboratory, Mrs. Stearns is present each day to answer questions for the viewers, and to direct subsequent discussion.

The TV lectures are not regularly scheduled classes, Mrs. Stearns explained. She has, however, issued a cordial invitation to students and faculty members who are free at that period, and who are interested in either the study of physics or the TV technique, to attend the showing.

The TV lecturer, Dr. White, has been a physics teacher for more than 30 years, and has written five college texts. With him on the programs, are scheduled several nationally-known physicists.

The lectures, she said, mark the first time that a college course has been attempted on a nationwide basis. It is produced by the (Continued on page 3)

## BJC Student Nurses Hold Halloween Party In Dorm

A pumpkin-headed scarecrow with a lighted smile greeted the freshman nurses as they arrived at the "get acquainted" Halloween party given to them by the sophomore nurses in the recreation room at Morrison hall, October 30.

Each of the students was tagged with a name, and when she found her mate, articles were supplied for a costume. The one who originated the best costume received an award.

Their entertainment included bobbing for apples on strings, passing life-savers on toothpicks, and other games. Doughnuts and cider were served.

## Mrs. Turnipseed to Lead Tomorrow's Devotional

Mrs. Genevieve Turnipseed, former dean of women and the present dean of Christian education of the First Methodist church, will lead the devotional service to be held tomorrow at 9:50 a.m. in the college auditorium. Organ music will be featured by Mr. C. Griffith Bratt.

## Drama Department Chooses Fall Play

The fall dramatic production of BJC will be "The Reluctant Debutante," it was announced by Mr. William E. Shankweiler, director.

Mr. Shankweiler said that the present tentative cast which has been chosen are newcomers to BJC.

(Continued on page 3)

## Student Body To Elect Frosh Class Officers

Four petitions for freshman class officers were turned in to the activities office last Friday, reported Nikki Balch, student body vice-president and elections chairman.

Dick Johnson and David Smith are running for freshman class president. The one petition for vice-president is that of Dennis Miller. Beth Rodwell is the only candidate seeking the office of secretary-treasurer. No petitions were turned in for the office of freshman class representative.

## Notice to Sophomores

Any sophomore planning to graduate in May, 1959, and who has not filed application for the credential with this office, should do so at once at the receptionist's desk in room 113. Your application card will be needed in checking your eligibility for graduation.

Elma I. Gockley  
Acting Registrar

## Russian Speaks On Anti-Communism

Constantine Boldyreff, a leader of the Russian anti-Communism underground, spoke last week to an enthusiastic group of 450 students and faculty members on the topic "As Soviet Citizens See America", in the music building.

Mr. Boldyreff spoke on what he called the "Three R's" in Russia, namely: revision, reform and revolution.

Mr. Boldyreff was formerly in charge of the Russian department of Georgetown university, which includes the school of foreign service, institute of languages and linguistics. He was also a lecturer, and was instrumental in formulating the course in psychological warfare for the officers of the United States Air Force.

In concluding his speech, Mr. Boldyreff stated that "to be an American is a responsibility with no escape."

## Notice

Neither day or night classes will be held on Tuesday, November 11, 1958—Veterans Day.  
Office of the Registrar

Campaign speeches will be given in the Student Union Thursday morning, November 6, during the break. At this time additional candidates will be nominated from the floor and they will also give short campaign speeches.

"Service clubs on campus are urged to nominate so that we may have a full list of candidates and more of a contest among each of the office seekers," stated Miss Balch.

All campaign literature must be taken down by 4:00 p.m. Thursday.

The election will be held Friday, November 7, from 9:00 to 3:00 in the main hall of the Administration building.

Only students who hold BJC student body activity tickets are qualified to vote.

## Organist Presents Sunday Recital

Organist Deloris Bloomquist Waller, a former student of Mr. C. Griffith Bratt, presented a recital Sunday, November 2, at 4:30 p.m. in the BJC auditorium.

The program consisted of music written by deCubazon, Sweelinck, Bach, Mendelssohn and Walcha.

This was the first of a series of recitals that are sponsored by the college music department and the Les Bois chapter of the American Guild of Organists.

"Organized in the spring of 1932, BJC was at first sponsored for two years by the Episcopal church, and did not begin its first academic year as a public institution until 1939.

## TV CONTINENTAL CLASSROOM

An interested group of students are seen watching the physics lecture on television, which comes on every day over KBOI from 1:00 to 1:30. The program is nation-wide, and is shown daily in room 106 of the Science building. This group is not a regular class, but is merely composed of interested persons. Anyone is welcome to sit in on this lecture daily.

## IN OUR OPINION...

Children should be taught to respect authority. That's where respect begins. There is no end.

How often do you find yourself referring to a physician as "Doc," or to a college professor as "Jones," instead of giving these people their full titles?

You, as college students, should realize that a faculty member occupies a position of authority which comes close to that of your parents. Accordingly, they should be treated with respect.

In a recent issue of "The Bengal," an exchange paper, the following statement was made by the editor: "Student council, faculty and administration will not be free of comment, nor will McIntosh be harbored."

Although the editorial policy is not our concern, we take exception to the brash, offhand use of the college president's surname. We feel that his is a position which demands formal respect. He deserves his full title, particularly from his own students.

Dignity and good manners are never out of date or out of place. If one keeps this in mind, he will find that his college life is more beneficial. —C.B.

## INTER-FAITH COUNCIL...

The Inter-Faith Council of BJC came into being in the late winter of 1952. The idea of such an organization was inspired by the feeling on the part of some that the religious clubs on the campus should form a central organization that would direct the religious life of the school. In other words, this council represents all the religious groups on the campus, cooperating to organize the spiritual activity of the staff and students.

The Inter-Faith Council is made up of two elected representatives of each of the religious clubs of the campus. The desire on the part of the leadership is to have a sophomore and a freshman from each of the groups. These clubs are as follows: Canterbury, Deseret, Disciples, Lutheran, Newman, Roger Williams, Wesleyan and Westminster. The group is under the direction of a member of the faculty. At the present time Mrs. Helen R. Johnson, department of secretarial science, is the adviser. When the council gets together for the first time in the fall election is held. The following officers are chosen: president, vice-president and secretary-treasurer. Then the following committees are formed: devotional, Christmas pageant, publicity and social. Meetings are held at least twice a month, generally at the break in the morning.

The largest effort of the year is the organization, direction and performance of the Christmas pageant. Weekly devotionals are arranged at the break on Wednesdays. These are led by members of the staff, or of the student body, or of the ministers of Boise. Mr. Bratt provides inspiring organ music for the service. At times special vocal groups assist in the program. The leader reads scripture and offers prayers. The council also plans Brotherhood week which comes in February at the time of Washington's birthday. The American Rabbi association always sends a Rabbi to speak at an assembly of the students and to lecture to the students on the theme of "brotherhood." At Easter time, a special Easter service is always held on Wednesday before the holiday. The choir provides music, and a minister from one of the faiths gives an Easter message.

Often other religious assemblies are provided by the council. The main objective of the Inter-Faith group is to develop the spiritual life of the students. It has made for itself a prominent place in the campus life. Its greatest achievement in past years has been to provide an impressive Christmas pageant and an inspiring Easter program. The college choir has made an important contribution to these services.

The presidents of the Inter-Faith Council from the beginning of this organization are as follows: 1952, Mary Gottenberg; 1953, Gineva Greer; 1954, Patricia Austin; 1955, Barton Ballantyne; 1956, Mike Halley; 1957, John Goettsche and Sandra Compton; 1958 Barbara Martin.

We believe the students will find the meetings provided by the Inter-Faith Council inspiring and helpful.

DR. PAUL BAKER  
Chairman, Division of Social Sciences

## Do You Have A Hobby?

The Roundup staff is sponsoring a "Hobby Contest".

Contestants with unusual or interesting hobbies will be featured with stories and pictures in the Roundup.

If you have a hobby, fill out the blank below and leave it in the box provided in room 116 in the Administration building.

## Math Instructor, Mrs. Ella Winans, Is Featured As Teacher of the Week

Mrs. Ella Mae Winans

This is Mrs. Ella Mae Winans' first year of teaching daytime school. However she has taught night school three years, at BJC. She attended Idaho State for two

years, then went to the University of Oregon for her B.A., and to New York university for her M.A. She has one child, three years old, Cathy, and says that she is kept busy with her. Most of her spare time is spent at home.

She is a member of Eta Mu Pi, National Business, Beta Gamma Sigma, and is a recipient of the alumni award for the outstanding woman graduate of New York university. She has worked for the United States weather bureau, at the stock and bond brokerage as a sales trainee, and a retail buyer. In addition to her present teaching duties, she is cashier at the women's dorm.

## CAMPUS CALENDAR

Wednesday, November 5  
Auditorium, 9:50 a.m.—Devotions.  
S.U. Ballroom, noon—Esquires.  
S.U. Powder room, noon—French club.  
S.U. N.E. lounge, noon—Golden Z club.  
S.U. N.W. lounge, noon—Germanisters.

Auditorium, 7:30-10:30 p.m.—Orchestra practice.  
Auditorium, 7:45-10:00 p.m.—Chor.

Thursday, November 6  
Student Union, 9:50—Freshman campaign speeches.  
S.U. Ballroom, noon—B-cubes.  
S.U. Powder room, noon—Cosmopolitan club.

S.U. N.E. Lounge, noon—Valkyries.

Friday, November 7  
Administration building, main hall, 9:30-10:00—Freshman class elections.

S.U. Ballroom, noon—Wesleyan.  
S.U. Powder room, noon—Roger Williams club.

S.U. N.E. Lounge, noon—Deseret club.  
S.U. N.W. Lounge, noon—Lutheran club.

Monday, November 10  
S.U. Ballroom, noon—Social Pat-terns.

S.U. Powder room, noon—Canterbury club.  
S.U. N.E. Lounge, noon—Christian Disciples.

S.U. N.W. Lounge, noon—Westminster club.

Tuesday, November 11  
S.U. Ballroom, noon—I.K.'s.  
S.U. Powder room, noon—Spanish club.

S.U. N.E. Lounge, noon—Pi Sigma.

## ALUMNI NEWS

Harold B. Olson, who attended BJC in 1937-38 and in 1945-46, is now director of the Student Union for the Drexel Institute of Technology in Philadelphia. Mr. Olson received a B.S. in commerce from Drexel Institute and in 1948 graduated as a master of social work from Tulane university.

Before taking up his present job he served as social worker in New Orleans, program director for the United Neighbors Association in Philadelphia, and was a lieutenant in the navy.

Hadley Olson, BJC 1939, is now with the Lincoln Mutual Insurance company, in Boise, and is living with his mother.

James H. Hawley, Jr., 1941 graduate, received his M.A. at Stanford in 1948 and studied towards his doctorate at American university. He served as administrative assistant to the late Senator Bert Miller and was then Idaho director of the U. S. department of commerce. He is now in the insurance business in Boise.

Betty Mathews Morris, 1942 graduate, is now teaching kindergarten in Reno, Nev. She received her bachelor's degree in education after summer sessions of school this year.

615 South Ninth Street Phone 2-9049 or 4-5795

## LITTLE MAN ON CAMPUS

WE WOULD TRY TO DAY THEY START ON THIS CHAPTER

## Student of the Week

Dick Snyder

To what does sophomore Dick Snyder, "King Beard" for 1952, attribute his fine growth of whiskers?

"Age," he says. Brought up in Boise, 22-year-old Dick is taking business and planning someday to become a banker.

The red Austin-Healy which plots around town gives away of his favorite hobbies—sports.

He became interested in sports car racing while he was with the army corps of engineers in Germany. He participated in races there, and also drove MGA to a second place win in Winnemucca, Nevada. He has to enter his car in the hill and gymkhana, near Elmer, Idaho.

While in the service, he traveled in England, Ireland, France, Switzerland, Austria, Spain and Italy. He says he liked the last of these countries best, with a slight preference for Spain because of color and atmosphere. One of the things in Spain that impressed most was the bull fights.

Last summer Dick worked for the Idaho Power Co. stringing lines, and this summer he is going to go to work in a bank. "I'm planning on taking a trip to Mexico, too, after passing English," he said.

## Pasternak's Controversial Russian Novel Now Available In BJC Library

By Lois Hansen, Assistant Librarian

Pasternak, distinguished writer, last week refused to accept the Nobel Prize for his novel, "Doctor Zhivago." He was expected to receive the award in December, but he refused to accept it. He said he was not interested in the award and that he was not a member of the Swedish Academy. He also said that he was not interested in the Nobel Prize and that he was not a member of the Swedish Academy.

Pasternak is no doubt the key to the reversal. Having formerly virtually ignored the author, who was known primarily as a poet of the intelligentsia, Pravda has been very outspoken about the "low-grade reactionary hackwork" in the book the Swedish academy chose to honor.

"Doctor Zhivago," completed in 1935, has never been published in the Soviet Union.

A humane story which is anti-Marxist in tone, it was refused by one Russian publisher after another. Publication came first in Italy, followed by translations in other European countries.

An American translation appeared in September of this year and was immediately acclaimed here as a great epic novel. Some critics have compared Pasternak's work with Tolstoy's "War and Peace"; others with Dostoevsky's novels.

This is not a political novel, but rather a symbolic and philosophical narrative picturing vividly Russian life during the early part of this century (with an epilogue carrying the plot to the end of World War II).

Doctor Zhivago is a deep-thinking upper class physician who welcomes the revolution and its ideals, yet rebels when the Communists begin telling him how to live and even how to think.

He and the numerous other characters of the story emerge, not as the political puppets of most recent Soviet fiction, but as believable persons.

The beautiful love story of Lara and Yuri Zhivago, the passages on nature's beauty, the rejection of violence and the protection of spiritual independence, all testify to the unquenchable humanity of Russia's people and the surviving creativeness of her people's traditional literature.

The novel can be reserved at the BJC library.

### CAMPUS QUERY

By Thomas C. Dooley

Do you think various campus organizations should continue to initiate incoming members into their traditional "tough treatment"?

Several students of the BJC campus have expressed their opinion on this subject. They are as follows:

Robert Gillbert: No, by the time students reach college age they should attempt to act mature. Some campus organizations are carrying their initiation rites too far. Quite frequently someone gets hurt in the process of initiation. Personally I belong to a club that has no silly initiation proceedings, and incoming members are required only to do some constructive work for the club.

Louise Wilson: I have not been asked to join a fraternity, as yet, but if I do join one I'm going to be sick on initiation night. I think some forms of initiation are okay, but sometimes things are carried too far and become ridiculous and insensible. I don't think that doing silly things in order to get into a fraternity is going to make others respect you.

Robert Gillbert: No, by the time students reach college age they should attempt to act mature. Some campus organizations are carrying their initiation rites too far. Louise Wilson: I have not been asked to join a fraternity, as yet, but if I do join one I'm going to be sick on initiation night. I think some forms of initiation are okay, but sometimes things are carried too far and become ridiculous and insensible. I don't think that doing silly things in order to get into a fraternity is going to make others respect you.

Robert Gillbert: No, by the time students reach college age they should attempt to act mature. Some campus organizations are carrying their initiation rites too far. Quite frequently someone gets hurt in the process of initiation. Personally I belong to a club that has no silly initiation proceedings, and incoming members are required only to do some constructive work for the club.

## INDIAN SUMMER ENGINEERING

A group of engineering students from BJC's survey class present a typical picture of activities which were seen on the BJC campus during the warm Indian summer weather of the last few weeks. Shown above working with the surveyor's transit are (left to right) Guy Blakeslee, Carl Schultz, Gene Baxter and Stan Rishel.

### Attention, Students

Students who have lost coats should check in room 121, reported Mrs. Margaret Betty. Several coats are being held there at the present time, she stated.

this year is "Help Week" for pledges rather than "Hell Week."

During this week, the pledges will be of service to the school. Two of their enterprises will be that of registering the contestants entering the debates, November 8, and the other will be that of sponsoring the World University Service. Donna LaPrise and Shirley Cook will be the chairmen in charge of all arrangements.

### CAMPUS STYLES

By Sharon Paul

If it isn't one thing it's another.

If you're not going to a football game you're going up to Idaho City swimming, or to school, or you're going to lounge around and do your homework.

There's nothing better to wear while you're doing all these things than wide wale corduroy by White Stag.

Coat, slacks and skirt. That's what you need and I saw a beautiful White Stag outfit down at Anderson's this week in Venetian corduroy.

The car coat is warmly quilted with a rich lining and the large collar and cuffs are of Verel trim. It's called the Cosmopolitan and I've seen several of them on campus already. There's nothing sharper. They sell for \$29.95.

The skirt and tapered slacks sell for \$10.98 each and come in the same washable, wide wale corduroy as the coat.

You can get this outfit in driftwood blue, wood tone, moss and mustard.

This soft corduroy White Stag ensemble is really good looking and is definitely always outstanding, anywhere.

## BJC Broncos Win Sixth Straight With 25-7 Defeat Over Ricks Vikings

Winner of six straight this season, BJC now owns a 3-0 Inter-mountain conference mark, with the Saturday defeat of the Ricks Vikings by the score of 25-7.

The Broncos smashed 63 yards to a touchdown the first time they had the ball after the opening kickoff.

Herb Halliwell and fullback Jerry Mahoney hammered for 21 yards to the Ricks' 42 on BJC's opening drive. From there, Noblisse cut wide to his left on a reverse and rolled down the sidelines 42 yards for the first touchdown. The conversion try failed and it was 6-0 with the game only minutes old.

Ricks bounced right back, however, and was on top 7-6 at the quarter's end.

**Han Punches Across**

BJC threatened twice early in

the second quarter only to be thwarted by penalties. The Broncos finally broke back on top late in the period with Fullback Fred Caudil and Paul Han sparking a sustained march downfield. Han swept right end from three yards out for the six points to boost the Broncos into a 12-7 lead. A running try on the conversion missed.

Fumbles kept both clubs from scoring early in the third period. The Broncos being stopped first at the Ricks 25 and Ricks in turn being halted by a loose ball at the BJC 30. The Broncos roared away again after recovering the fumble, marching 70 yards to their third touchdown on straight power plays.

Halliwell and Mahoney shared ball-packing duties on most of the drive, with Halliwell finally plunging in from two yards out

## ... MORE DEADLY THAN THE MALE

Field hockey can prove interesting, as evidenced by these physical education students who out the sport at BJC. Among the coeds pictured above are Darlene Markley, Ellen H. Grigg, Mary Lou Rupert, and Mary Shumlick. Field hockey is one of the many sports in which men students participate in through the year.

## FULL-POWERED HALFBACK

## Athlete of the Week

By Larry Murdock

This week's athlete of the week is halfback Paul Han.

Paul hails from Iolani High where he was an outstanding athlete. He earned four letters in football and basketball, and three in baseball during his high school career.

He not only made the football team, but made the all-conference team in his sophomore, junior and senior years. In 1952, a freshman playing varsity ball, Han was named "Rookie of the year".

Paul, proving himself a valuable athlete, was given a scholarship to Iolani, a private school, each of the four years he attended.

Paul's career at BJC began in 1956. He was a dependable back, scoring in nearly every game, as he has this year.

Han has plenty of speed and ability, and has been a credit to BJC. Paul might be called a "guided muscle", as seen in his driving, diving style of running, which has shaken up many on opposing player.

Although Han has shown a lot of power through the line, he frequently breaks loose for the long gain, which often results in a TD.

Paul is majoring in business education, and his minor is P.E. He said that he had no idea, as yet, where he was going to finish his education.

## Women's Physical Education Classes Feature Rough-Tumble Field Hockey

By Mary Lou Rupert

Crash! The field hockey sticks hit, and the ball sails close to the ground with competitors bashing for it from all sides. Somewhere in the confusion, a player passes the ball into the clear and drives for a goal, but the foes attack too soon.

This is a typical scene in the women's physical education classes as they play field hockey.

There are a few whacks and bruises, but spirits are high and another team outside of class is being formed to compete with the College of Idaho.

The team practices every Tues-

The Student Union on the BJC campus is supported by the student body and the board of trustees.

## Safe Depos

John always did take things too seriously... like that habit of locking his Coke up in a safe! Sure everybody likes Coca-Cola... sure there's nothing more welcome than the good taste of Coca-Cola. But really—a safe just for Coke! Incidentally—know the combination, anyone?
